

# Warm-Up Travel

## Universal portable bottle warmer with USB socket

- Quick heating and constant temperature maintenance
- 4 temperature settings: 37/40/45/50 °C
- Universal thanks to the 5 adapters included: it is compatible with the J BIMBI® bottle and bottles of major brands (AVENT, BIBS, CHICCO, DR. BROWN'S, MAM, MEDELA, NUBY, NUK, SUAVINEX, TOMMEE TIPPEE)
- It runs on battery power and charges with a common USB-C cable (included)
- Up to 6 heating cycles are possible with a full refill (this figure may vary depending on many factors such as ambient and milk temperature, amount of milk, bottle material, etc.)
- With protective cover
- Easy to use, safe and convenient to carry

Warm-up Travel is a universal portable bottle warmer that allows you to quickly heat the milk in the bottle at 37-40-45-50 °C and keep it at temperature. You can take it wherever you go, thanks to its compact size, rechargeable batteries and USB-C power and charging cable. The adapters supplied mean you can use it with J BIMBI® bottles as well as with other major bottle brands.

### Supplied with

Bottle warmer, USB-C cable, protective lid, 5 adapters and instruction manual.

45-piece box
